# Wasp Business Solutions

## MobileAsset

Asset Management Made Easy

Save time and money by automating the asset tracking process. Wasp MobileAsset gives you the tools you need to accurately track valuable company assets like computers, office furniture, vehicles, and tools.

**Features:**

- Track assets by site, location, department, item, serial number, and more
- Check assets in & out to employees or customers
- Create barcoded asset tags
- Instantly access 48+ pre-built management reports
- Attach any type of file to an asset – pictures, warranties, user manuals, invoices, and more
- Audit your assets from a PC or mobile computer

### Complete Solution – Software, Mobile Computer, & Barcode Printer

All solutions include MobileAsset software, battery/comm cables, WPR 2.16"x 820' resin ribbon, WPL305 desktop barcode printer and 2" x 1" polyester labels.

Includes the WPA1000II mobile computer for data collection and barcode printer for creating asset tags.

| | | |
|---|---|---|
| *Standard, WPA1000II & WPL305* | Price: **$1,995** | Part number: **633808390983** |
| *Pro, WPA1000II & WPL305* | Price: **$2,895** | Part number: **633808390990** |
| *Enterprise, WPA1000II & WPL305* | Price: **$4,895** | Part number: **633808391027** |

Quickly access important asset information on-the-go with the HC1 mobile computer's QWERTY keypad.

| | | |
|---|---|---|
| *Standard, HC1 & WPL305* | Price: **$2,495** | Part number: **633808342159** |
| *Pro, HC1 & WPL305* | Price: **$3,495** | Part number: **633808342173** |
| *Enterprise, HC1 & WPL305* | Price: **$5,495** | Part number: **633808342197** |

### Mobile Solution – Software & Mobile Computer

All packages include MobileAsset software, battery/comm cables and pre-printed asset tags.

Ideal for a wide range of asset tracking applications, this versatile solution includes the pocket-sized WPA1000II mobile computer.

| | | |
|---|---|---|
| *Standard & WPA1000II* | Price: **$1,495** | Part number: **633808390969** |
| *Pro & WPA1000II* | Price: **$2,395** | Part number: **633808390976** |
| *Enterprise & WPA1000II* | Price: **$4,395** | Part number: **633808391010** |

Oversized, 3.8" color touch screen is optimal for asset tracking applications. Includes the HC1 mobile computer.

| | | |
|---|---|---|
| *Standard & HC1* | Price: **$1,995** | Part number: **633808391379** |
| *Pro & HC1* | Price: **$2,995** | Part number: **633808342166** |
| *Enterprise & HC1* | Price: **$4,995** | Part number: **633808342180** |

### Software Only

Standard Edition / 1 PC License / 1 Mobile License
Price: **$595** Part number: **633808390006**

Professional Edition / 5 PC Licenses / 1 Mobile License
Price: **$1,495** Part number: **633808341282**

Enterprise Edition / Unlimited PC Licenses / 5 Mobile Licenses
Price: **$3,495** Part number: **633808390228**

### MobileAsset Web Module

Manage assets from any internet-connected PC.

MobileAsset V6 Professional Web Module / 5 Web Licenses
Price: **$895** Part number: **633808341503**

MobileAsset V6 Enterprise Web Module / Unlimited Web Licenses
Price: **$895** Part number: **633808341510**

# InventoryControl

Get in Control of Your Inventory

Maintain accurate inventory counts and enhance customer service with Wasp InventoryControl. Easy to implement and use, InventoryControl delivers big business efficiency at an affordable price.

**Features:**

- Track inventory by site, location, serial number, date, lot, and pallet at multiple sites and locations
- Easily import inventory and supplier data using the Import Wizard
- Check inventory in or out to customers and employees
- Access 60+ pre-built management reports
- Accurately perform inventory audits and cycle counts using your PC or mobile computer
- Access real-time inventory data with InventoryControl RF Professional and RF Enterprise
- Optional QuickBooks® Connector integration is now available for InventoryControl RF Professional and RF Enterprise and will synchronize inventory data directly with QuickBooks

## Complete Solution – Software, Mobile Computer, & Barcode Printer

All solutions include InventoryControl software, 2.16" x 820' wax ribbon, WPL305 barcode printer and 2" x 1" TT labels.

Includes the WDT3200 or WDT3250 mobile computer for data collection.

| | | |
|---|---|---|
| *Standard, WDT3200 & WPL305* | Price: **$2,595** | Part number: **633808391164** |
| *RF Pro, WDT3250 & WPL305* | Price: **$3,995** | Part number: **633808391195** |
| *RF Enterprise, WDT3250 & WPL305* | Price: **$5,595** | Part number: **633808391218** |

Track inventory efficiently and accurately with the complete HC1 Mobile Solution.

| | | |
|---|---|---|
| *RF Pro, HC1 & WPL305* | Price: **$4,295** | Part number: **633808391348** |
| *RF Enterprise, HC1 & WPL305* | Price: **$5,795** | Part number: **633808391362** |

For fast, reliable data collection, this ideal solution includes a DT10 mobile computer.

| | | |
|---|---|---|
| *Standard, DT10 & WPL305* | Price: **$1,995** | Part number: **633808920531** |

## Complete Solution – Software, Barcode Scanner, & Barcode Printer

Accurately manage inventory with an affordable solution using the WWS550i barcode scanner. Includes wireless connectivity and compatibility with Android™ or iOS® devices such as iPhone®, iPod® and iPad®.

**Includes:**

- WWS550i barcode scanner
- 2.16" x 820' wax ribbon
- 2" x 1" TT labels
- InventoryControl software
- WPL305 barcode printer

| | | |
|---|---|---|
| *Standard, WWS550i & WPL305* | Price: **$1,495** | Part number: **633808920647** |

## Mobile Solution – Software & Mobile Computer

Engineered to withstand rugged, scan-intensive environments, this solution includes a WDT3200 or WDT3250 mobile computer.

| | | |
|---|---|---|
| *Standard & WDT3200* | Price: **$1,995** | Part number: **633808391157** |
| *RF Professional & WDT3250* | Price: **$3,495** | Part number: **633808391188** |
| *RF Enterprise & WDT3250* | Price: **$4,995** | Part number: **633808391201** |

Combining flexibility with versatility, this solution features the HC1 mobile computer. Scan and track inventory away from your PC by updating inventory records and performing transactions on-the-go. Field updates and changes are instantly displayed in the main database giving real-time visibility.

| | | |
|---|---|---|
| *RF Professional & HC1* | Price: **$3,795** | Part number: **633808391331** |
| *RF Enterprise & HC1* | Price: **$5,295** | Part number: **633808391355** |

Capture inventory data on-the-go with the lightweight, pocket sized DT10 mobile computer that does not compromise performance.

| | | |
|---|---|---|
| *Standard & DT10* | Price: **$1,495** | Part number: **633808920524** |

## Software Only

Standard Edition / 1 PC License / 1 Mobile License
Price: **$795** Part number: **633808342050**

RF Professional Edition / 5 PC Licenses / 1 Mobile License
Price: **$2,195** Part number: **633808342067**

RF Enterprise Edition / Unlimited PC Licenses / 5 Mobile Licenses
Price: **$3,695** Part number: **633808342074**

## InventoryControl Web Module

Access inventory from any internet-connected PC.
Price: **$595** Part number: **633808342043**
**Requires Inventory Control RF Pro or RF Enterprise (v5 or newer)*

## Unifi Access Point 3-pack

Use with RF Professional or RF Enterprise to increase access points or expand your wireless network. Wall ceiling mount, Power-over-Ethernet adapter, & Unifi Controller software included.
Price: **$295** Part number: **633808391232**

## Web-Based Training

2-Hour Training Service via Web
Price: **$295** Part number: **633808600174**
**Recommended on STANDARD version*

3-Hour Training Service via Web
Price: **$425** Part number: **633808600242**
**Recommended on PRO/ENT versions*

## On-Site Training

Maximize ROI by reducing setup time, quickly train new users and increase user adoption. Wasp certified trainers deliver a customized agenda tailored to your business needs at a location of your choice.

12-Hour On-Site Training - Contiguous 48 States
Price: **$2995** Part number: **633808600181**
**14-day notice required. Additional hours and locations also available.*

# Mobile Computers

## HC1 - QWERTY Keypad

- Windows Embedded Handheld 6.5
- 256 MB RAM, 512 MB Flash
- 800 x 480 color touch screen
- Laser scanner
- 802.11 a/b/g wireless connectivity
- 44-key QWERTY keypad

*HC1 w/ QWERTY keypad* Price: **$1,695** Part number: **633808391317**

## HC1 - Numeric Keypad

- Windows Embedded Handheld 6.5
- 256 MB RAM, 512 MB Flash
- 800 x 480 color touch screen
- Laser scanner
- 802.11 a/b/g wireless connectivity
- 26-key NUMERIC keypad

*HC1 w/ NUMERIC keypad* Price: **$1,695** Part number: **633808505240**

## WDT3250

- Windows CE 6.0
- 128 MB SDDR, 256 MB Flash
- 240 x 320 color touch screen
- Laser scanner
- 802.11 b/g wireless connectivity

*WDT3250 w/ Pistol Grip* Price: **$1,479** Part number: **633808920388**

# Scanners

## WDI4500 2D Scanner

- Healthcare, inventory, and shipping & receiving applications
- 6' USB cable
- Reads 1D and 2D barcodes
- Scans 1D barcodes up to 25" away and 2D barcodes up to 15" away

*WDI4500 with USB* Price: **$379** Part number: **633808121419**

## WWS450 2D Cordless Scanner

- Retail, industrial, government, and education applications
- Transmits data within 160'
- Wireless base station
- Reads 1D and 2D barcodes
- Scans 1D barcodes up to 20" away and 2D barcodes up to 12" away
- iOS® & Android™ compatible

*WWS450 with USB Base* Price: **$695** Part number: **633808121471**

## WWS450H 2D Cordless Scanner

- Built-in Microban® antimicrobial protection
- Healthcare, pharmacies, and medical packaging applications
- Transmits data within 160'
- Wireless base station
- Scans 1D barcodes up to 20" away and 2D barcodes up to 12" away
- iOS & Android compatible

*WWS450H with USB Base* Price: **$795** Part number: **633808121549**

## WWS550i Cordless Scanner

- Retail, shipping, and any general application
- Transmits data within 160'
- Integrated rechargeable battery
- USB wireless adaptor
- CCD LR scan engine
- Scans up to 12" away
- iOS & Android compatible

*WWS550i with USB Adaptor* Price: **$349** Part number: **633808920623**

## WWS800 Cordless Scanner

- Retail, warehouse, or any general application
- Transmits data up to 160'
- Replaceable rechargeable battery
- Wireless base station
- CCD LR scan engine
- Scans up to 12" away

*WWS800 with USB Base* Price: **$595** Part number: **633808920128**
*WWS800 with PS/2 Base* Price: **$595** Part number: **633808920012**
*WWS800 with RS232 Base* Price: **$595** Part number: **633808920074**

## WWS850 Cordless Scanner

- Retail, warehouse, or any general application
- Transmits data up to 160'
- Replaceable rechargeable battery
- Wireless base station
- Laser scan engine
- Scans up to 29" away

*WWS850 with USB Base* Price: **$795** Part number: **633808920210**
*WWS850 with PS/2 Base* Price: **$795** Part number: **633808920203**
*WWS850 with RS232 Base* Price: **$795** Part number: **633808920227**

## WLS9500 Laser Scanner

- Retail, healthcare, and warehouse applications
- 6' cable
- Multi-line rastering scan pattern
- Superior motion tolerance
- Optional hands-free stand
- Scans up to 29" away

*WLS9500 with USB* Price: **$325** Part number: **633808121259**
*WLS9500 with PS/2* Price: **$325** Part number: **633808121242**

## WLR8950 Bi-Color CCD Scanner

- Retail, library, and office applications
- 6' cable
- Flexible scan range and durable construction
- Optional hands-free stand
- Scans up to 12" away

*WLR8950 with USB* Price: **$250** Part number: **633808121662**
*WLR8950 with PS/2* Price: **$250** Part number: **633808121679**

## WLS8400 Industrial Scanner

- Warehouse and industrial applications
- Withstands multiple 6.5' drops to concrete
- WLS8400FZ reads damaged or poorly printed barcodes up to 27" away

*WLS8400FZ with USB* Price: **$575** Part number: **633808121150**

## WCS3900 CCD Scanner

- Office, library, and light retail applications
- 6' cable
- Cost-conscious, durable design
- Optional storage stand
- Scan from contact to 1" away

*WCS3900 with USB* Price: **$180** Part number: **633808091040**
*WCS3900 with PS/2* Price: **$180** Part number: **633808091002**

## WWS100i Cordless Pocket Scanner

- Retail, shipping, and any general application
- Transmits data up to 33' away
- 6' cable
- Pocket-size design
- Scans up to 5.5" away
- iOS & Android compatible

*WWS100i with USB* Price: **$195** Part number: **633808920692**

## WPS200 Omni Scanner

- Omni-directional scan engine improves read rate and accuracy
- Versatile ability to read both 1D and 2D barcodes
- Hands-free mode increases POS checkout times and improves personnel productivity

*WPS200 with USB* Price: **$349** Part number: **633808121730**

# Printers

## WPL305

Desktop barcode printer for light to medium-duty barcode printing.

- Direct thermal and thermal transfer
- 203 DPI print resolution
- 5” per second print speed
- 4.25” print width
- Serial/parallel/USB

| | | |
|---|---|---|
| *WPL305 Printer* | Price: **$499** | Part number: **633808402006** |
| *WPL305 with Peeler* | Price: **$529** | Part number: **633808402020** |
| *WPL305 with Cutter* | Price: **$599** | Part number: **633808402013** |

## WPL406

Industrial printer for medium and heavy-duty barcode printing.

- Direct thermal and thermal transfer
- 203 DPI print resolution
- 6” per second print speed
- 4.09” print width
- Durable metal housing
- Serial/Ethernet/USB

| | | |
|---|---|---|
| *WPL406 Printer* | Price: **$849** | Part number: **633808404062** |
| *WPL406 with Cutter* | Price: **$1,149** | Part number: **633808404109** |

## WPL612

Industrial barcode printer for heavy-duty barcode printing.

- Direct thermal and thermal transfer
- 203 DPI print resolution
- 12” per second print speed
- 4.09” print width
- Durable metal housing
- Serial/parallel/USB/Ethernet

| | | |
|---|---|---|
| *WPL612 Printer* | Price: **$1,295** | Part number: **633808404116** |
| *WPL612 with Cutter* | Price: **$1,649** | Part number: **633808404123** |

## WPL304

Desktop printer designed for light to medium-duty barcode printing.

- Direct thermal
- 203 DPI print resolution
- 4” per second print speed
- 4.17” print width
- Durable metal housing
- Serial/parallel/USB/Ethernet

| | | |
|---|---|---|
| *WPL304 Printer* | Price: **$429** | Part number: **633808404055** |

## WPL25

Desktop printer for light to medium-duty barcode printing.

- Direct thermal
- 203 DPI print resolution
- 5” per second print speed
- 2.13” print width
- Serial/USB

| | | |
|---|---|---|
| *WPL25 Printer* | Price: **$295** | Part number: **633808403836** |

## WHC25

Healthcare, wristband barcode printer for light to medium-duty barcode printing.

- Direct thermal
- 203 DPI print resolution
- 5” per second print speed
- 2.05” print width
- Ethernet/USB

| | | |
|---|---|---|
| *WHC25 Printer* | Price: **$499** | Part number: **633808403911** |

# Barcode Software

## WaspLabeler + 2D

Barcode software allows you to design and print 1D and 2D barcode labels.

- Over 100 design templates
- Create compliance labels
- Import existing files

| | | |
|---|---|---|
| *WaspLabeler +2D (1 License)* | Price: **$149** | Part number: **633808105266** |
| *WaspLabeler +2D (5 Licenses)* | Price: **$279** | Part number: **633808105273** |
| *WaspLabeler +2D (10 Licenses)* | Price: **$495** | Part number: **633808105280** |
| *WaspLabeler +2D (Unlimited)* | Price: **$995** | Part number: **633808105297** |

## Barcode Maker

Designed specifically to create barcodes for use in MS documents.

- Works in Microsoft Word and Excel
- Choose from 13 different 1D barcode symbologies
- Professional Edition works with MS Access and offers 2D barcodes

| | | |
|---|---|---|
| *Barcode Maker (1 License)* | Price: **$149** | Part number: **633808105167** |
| *Barcode Maker (5 Licenses)* | Price: **$279** | Part number: **633808105341** |
| *Barcode Maker (10 Licenses)* | Price: **$495** | Part number: **633808105174** |
| *Barcode Maker Pro (1 License)* | Price: **$199** | Part number: **633808105198** |

## WaspLabeler & Barcode Maker for Office

Design, generate, and print barcode information for seamless integration with Microsoft Office® applications.

- All-in-one barcode and label-creation solution
- Design and print custom 1D and 2D barcode labels
- Create barcodes in Microsoft Word® and Microsoft Excel®

| | | |
|---|---|---|
| *(1 User Licence)* | Price: **$199** | Part number: **633808105358** |
| *(5 User Licences)* | Price: **$399** | Part number: **633808105365** |
| *(10 User Licences)* | Price: **$599** | Part number: **633808105372** |

# WaspNest

## WaspNest Suite with WLS9500

Ideal for industrial applications. Features WLS9500 laser barcode scanner.

- WaspTrack software
- WaspLabeler
- 6’ cable
- Laser barcode scanner

| | | |
|---|---|---|
| *WaspNest - Laser* | Price: **$395** | Part number: **633808390310** |

## WaspNest Suite with WLR8900

Ideal for light-industrial environments. Features WLR8900 CCD LR barcode scanner.

- WaspTrack software
- WaspLabeler
- 6’ cable
- CCD LR barcode scanner

| | | |
|---|---|---|
| *WaspNest - CCD LR* | Price: **$295** | Part number: **633808390389** |

## WaspNest Suite with WCS3900

Recommended for general barcoding applications. Features WCS3900 contact barcode scanner.

- WaspTrack software
- WaspLabeler
- 6’ cable
- CCD barcode scanner

| | | |
|---|---|---|
| *WaspNest - CCD* | Price: **$199** | Part number: **633808390372** |

## WaspNest Suite with WWR2900

Features WWR2900 pen-style barcode scanner for light office environments.

- WaspTrack software
- WaspLabeler
- 6’ coiled cable
- Pen barcode scanner

| | | |
|---|---|---|
| *WaspNest - Pen* | Price: **$185** | Part number: **633808390365** |

# WaspTime

Automate Your Time Tracking

Streamline payroll processing and eliminate inflated labor hours with WaspTime. Featuring easy-to-use WaspTime software and choice of employee time clocks, the WaspTime solution delivers convenience and security by automating your time tracking needs.

**Features:**

- Accurately track employee time
- Unlimited employee punches
- Easy installation with Setup Wizard
- Establish employee-level security
- Access 30+ management reports

## Complete Solutions – Software & Time Clock

This solution offers the added convenience and security of a Biometric time clock.

**Includes:**

- WaspTime software
- Biometric (fingerprint) time clock
- Ethernet cable & power supply

| | | |
|---|---|---|
| *Standard w/ Biometric Clock* | Price: **$995** | Part number: **633808550356** |
| *Professional w/ Bio Clock* | Price: **$1,795** | Part number: **633808550592** |
| *Enterprise w/ Bio Clock* | Price: **$3,495** | Part number: **633808550622** |

This solution features a HID time clock for efficient time & attendance tracking.

**Includes:**

- WaspTime software
- HID time clock
- Ethernet cable & power supply

| | | |
|---|---|---|
| *Standard w/ HID Clock* | Price: **$795** | Part number: **633808551377** |
| *Professional w/ HID Clock* | Price: **$1,595** | Part number: **633808551384** |
| *Enterprise w/ HID Clock* | Price: **$3,295** | Part number: **633808551391** |

This solution features a RFID time clock for easy use.

**Includes:**

- WaspTime software
- RFID time clock
- RFID employee badges
- Ethernet cable & power supply

| | | |
|---|---|---|
| *Standard w/ RFID Clock* | Price: **$695** | Part number: **633808550028** |
| *Professional w/ RFID Clock* | Price: **$1,495** | Part number: **633808550585** |
| *Enterprise w/ RFID Clock* | Price: **$3,195** | Part number: **633808550615** |

This solution features a barcode time clock for time & attendance tracking.

**Includes:**

- WaspTime software
- Barcode time clock
- Barcode employee badges
- Ethernet cable & power supply

| | | |
|---|---|---|
| *Standard w/ Barcode Clock* | Price: **$495** | Part number: **633808550004** |
| *Professional w/ Barcode Clock* | Price: **$1,395** | Part number: **633808550561** |
| *Enterprise w/ Barcode Clock* | Price: **$2,995** | Part number: **633808551162** |

## Software Only

Standard Edition / 1 Admin / 50 Employee Licenses
Price: **$449** Part number: **633808551117**

Professional Edition / 5 Admin / 100 Employee Licenses
Price: **$1,295** Part number: **633808551032**

Enterprise Edition / Unlimited Admin / Unlimited Employee Licenses
Price: **$2,895** Part number: **633808551223**

# Package Tracker

**New online service!** Package Tracker enables organizations to track a package from the moment it is received in a central location, identifies who received and will deliver the package, and the time and date that the end recipient signed for the package.

**Features:**

- Deliver packages faster
- Reduce time looking and reordering
